

Application for Ship Participation in the Adopt-A-Ship Program

Please provide points of contact, addresses, and information for the class adopting the ship. This information will be provided to the responsible teacher when an adoption match is made. Information on the school, class, and teacher will be provided similarly to you. An initial contact should then be made between the Master and teacher/class to begin the adoption. Please indicate if a previous relationship exists with a particular school or teacher and whether you desire to continue.
